August 31, 2017

Domestic Violence and Stalking

We will look at the relationship dynamics and tactics of abuse, including how to safely leave an abusive relationship and navigate divorce proceedings. The mental health of the abuser will also be discussed. Finally, we will cover criminal interventions and how law enforcement can help referrals to advocacy groups and assistance for domestic violence victims and their children.

September 28, 2017

Traffic Safety

Topics discussed will include occupant safety and laws, traffic laws and pedestrian safety. Finally, laws and safety concerning bicycles and low speed vehicles will be discussed.

October 26, 2017

Prevent Becoming a Crime Victim

We will discuss how to prevent from becoming a victim of a crime. How you can decrease the chances of becoming a victim identity theft by properly disposing certain documents and how to identify scams. Securing your valuables in vehicles so that you will not be targeted by thieves and how to prevent your residence from being targeted by thieves will also be discussed.

November 30, 2017

Child and Teen Safety

This class is perfect for parents and kids to attend. Topics discussed will include internet safety, social media safety and anti-bullying will be discussed. School safety will also be addressed which will include safety going to and coming from school and while in school.
