PURPOSE:

To Approve a Resolution to Create a Formal Process For Determining Funding Decisions for Not-For-Profit Agencies to the Budget And Finance Committee

NEED/ IMPACT:

The City of Clarkston routinely has community organizations including organizations legally designated as not-for-profit apply for funding from the City and currently there is no formal process to govern organizations submitting applications for funding from the City. The City Council has determined that a formal process needs to be established to allow timely review of requests from organizations to award funding to selected organizations for the provision of services that will benefit the community and the City, under specified conditions.

RECOMMENDATIONS:

No Staff recommendation.
