Community Ambassadors Program Presentation

NEED/ IMPACT:

The City of Clarkston has a diverse population, with many refugees and immigrants who are unfamiliar with the U.S. democratic process and the City acknowledges the need to ensure that the voices of various demographics reach the City with respect to various concerns. While various and continued efforts have been made to target leaders within the Clarkston Community to serve as Ambassadors but these efforts have not resulted in a solidified, sustained program. At the February Council meeting, the City Council tasked the COMMUNITY AND URBAN DEVELOPMENT COMMITTEE to study the creation of a sustainable program that targets Clarkston residents to serve as Community Ambassadors.
