PURPOSE:

To adopt the attached Resolution requesting the Georgia General Assembly to annex property into the City of Clarkston.

NEED/ IMPACT:

The City of Clarkston has a demonstrated need to expand and diversify its tax base and land mass to ensure long term fiscal sustainability. The City of Clarkston, by and through the Mayor and City Council, has recently completed a fiscal analysis to determine the feasibility and desirability of annexing property to extend the corporate boundaries of the City of Clarkston.

If the proposed annexation is approved by Act of the General Assembly the property annexed and the owners thereof would become subject to the City Charter of the City of Clarkston. The proposed property to be annexed is described more particularly on Exhibit 1 which is attached.

Passage of this Resolution is the first step toward garnering local Legislative support for annexation legislation during the upcoming 2015 Georgia General Assembly Legislative session.

RECOMMENDATIONS:

Staff recommends that the City Council approve the attached Resolution to request the Georgia General Assembly to annex property into the City of Clarkston.
