CLARKSTON CITY COUNCIL MEETING

ITEM NO: F8

HEARING TYPE:
Council Meeting

BUSINESS AGENDA / MINUTES

ACTION TYPE:
Resolution

MEETING DATE: December 6, 2016

SUBJECT: Approve Construction Agreement with CSX Transportation, Inc

DEPARTMENT: Administration

PUBLIC HEARING: YES NO

ATTACHMENT: YES NO
Pages: 30

INFORMATION CONTACT: City Manager
404-296-6489

PURPOSE:

To Approve a Construction Agreement between CSX Transportation, Inc. and the City of Clarkston.

NEED/ IMPACT:

The City of Clarkston is scheduled to begin construction of the Streetscape and Pedestrian Enhancement project in the 3rd quarter of 2017. A majority of the construction will occur within right-of-way of CSX Railroad. Construction of the project will entail relocating existing signals to accommodate sidewalk installation, relocation of gates, relocation of signals and improvements at two crossings, all of which will be performed by CSX Transportation. CSXT will provide construction engineering and inspection services, flagging protection services and accounting and administrative services related to the oversight of this project.

An estimate of \$440,619 has been developed by CSXT for provision of these services throughout the duration of the Streetscape project; the amount of which has been included in the attached agreement. Upon execution and delivery of the notice to proceed with the project, The City of Clarkston must deposit with CSXT a sum equal to the estimate. CSXT will reconcile actual expenses incurred at the end of the project.

The attached Construction Agreement must be approved by the City of Clarkston before construction associated with the Streetscape project commences.

RECOMMENDATION: Staff recommends the City Council vote to approve the attached Construction Agreement between CST Transportation, Inc. and the City of Clarkston.
