• City of Clarkston City Operations – LATEST UPDATE *

(Clarkston, GA)— In response to help prevent the spread of the current Coronavirus Disease 2019 (COVID-19), the City of Clarkston reminds everyone to consider options and practices that promote good health including:

- Wash hands often with soap and water for at least 20 seconds
- Avoid touching your eyes, nose, and mouth
- Clean and disinfect frequently touched objects and surfaces
- Stay at Home/Residence, may leave to perform essential services
- Maintain prudent social distance (6 feet) from others
- Avoid close contact, congregate settings, and mass gatherings

All of us together must make every effort to ensure our health and well-being and heed the various advice disseminated from our professional medical community, the Centers for Disease Control, and our Federal, State, and local government partners. Our City continues to monitor the situations and will continue to provide City services while minimizing risk to all residents.

Clarkston strongly encourages all *to continue to maintain prudent social distancing (6 feet), to remain at home if sick, and only leave home to perform essential services (buy food, medicine, travel to/from work, exercise-walk/bicycle) as needed, and to avoid any gatherings outside your home.*

Please note the following specifics on **CITY OF CLARKSTON SERVICES:**
