See questions asked on BidNet and the responses provided (Q5-Q):

1. Is it acceptable to utilize international manufacturers for LEDs requested?
  - a. The City hopes the materials are made in the US, in case of repairs.
2. Are background checks required for installers?
  - a. Not required for the installation, since the sign is outside, but if you know the person has legal matters pending, do not send over for the installation.
3. Does this project fall under prevailing wage requirements?
  - a. No, this project does not fall under prevailing wage requirements.
4. Is engineering required for this?
  - a. The bidding company should have an understanding of the requirements and specifications of the bid documents.
5. Can you confirm if it is acceptable to provide a lump sum cost for the manufacturing with warranty, software service and installation kit?
  - a. Itemize the items on the Cost Proposal Form and submit the final cost as a lump sum.
6. Is it mandatory to provide subcontractor details, specifically for the subcontractor responsible for removal, disposal, and installation?
  - a. Yes, subcontractors are to be listed.
7. Please confirm if a bid bond is needed with bid and a performance and payment bond is needed once awarded.
  - a. No bid bond is required for this project, make sure you include your COI in the bid package.
